# ATHENS INTERNATIONAL SAILING CENTER

To go into greater detail at the Athens International Sailing Center Greece can offer a one of a kind sailing facility, with a state of the art infrastructure, as experienced recently by international sailors (World, Olympic and European Champions) that have taken part in our training camps and includes: ▶

- Ideal waters and sailing weather conditions.
- 4 ramps able to launch 150 dinghies into the water in just 15 minutes, 2 ramps servicing the coaching rubber boats, as well as 4 cranes.
- Large parking areas ideal for both trailers and vans.
- Large meeting room with all the latest tech requirements.
- A private and fully equipped gym.
- High Speed Internet access is available across the entire facility.
- In a 5km radius sailors and their teams can access 8 shops selling top quality sailing equipment, 3 sailmakers and repairs facilities as well as 3 boat repair specialists available on site.
- An arrangement in place for a 40% discount on the Italy - Greece Ferry line.
- Newly built motorways for quick and easy access to the Greek capital directly from the port of Patra.
- An ever expanding range of options for short and longer term stays including brand new hotels, Airbnb apartments, Restaurant and Cafes a stone's throw away from the Athens International Sailing Center and a tram stop situated just 200m away from the sailing center with connections to the Athens Metro.
- The Athens International Airport is also easily accessible, providing quick access to the sailing center for coaching staff, sailors' families and media representatives.
- The city center is within easy reach with the Parthenon and the Acropolis Museum only 5km away, while the newly built Stavros Niarchos Foundation Cultural Centre is right next door.
